

An Invitation to Christmas

*Greg Wiens
November 25, 2012*

An invitation to see and experience the impossible season.

*In the middle of the mess there is majesty
In the middle of my chest is the king of kings
While the World was waiting on a change to come along
Light broke in, coming like a son
All this Glory repeated*

“All This Glory” by David Crowder

2. Our health can be **RESTORED**
3. Our relationship with God can be **RESTORED**
4. The **CHOICE** is yours
