

Making An Entrance - Part II

Ken Love, Lead Pastor

The final week for Jesus! *One week to live, and the week was filled with sorrow, disappointment, anger, and at the same time - joy and hope and love. During the last days of Jesus he washed the disciples feet, experienced frustration over the use of the temple, and had his last meal.*

Today we walk with Jesus from the opening parade of *Palm Sunday* to the *Upper Room*, which would have been held on the night before he was crucified. Our walk will capture a few of these events as we enter his life and heart to understand his sacrifice.

1. Not all *tables* are “God moments.” When *tables* block you from him, Jesus will _____ the table to fight for you!

Mark 11:12-17

II Timothy 3:5

2. Jesus invites you to his table to have _____ time with you!

Revelation 3:20

Luke 22:15 - “I have eagerly desired to eat this Passover with you...”

3. Jesus offers you the bread as a symbol of offering _____ even though he knows what you have done and are capable of doing!

Matthew 26:20-30

The gift of JESUS, the gift of his life, is offered to you. The bread of himself extended by his own hand. Will you receive it as a sacrifice for your sin?
