Luke 1:1-4
1:26-38

Virgin birth? How does a virgin have a baby in the first century? Is it true, and if it is, what does it mean? Put on your CSI uniform and let's look at the evidence!!!

1. One way to know the virgin birth is true is to **VALIDATE** the scripture
Evidence the scripture is true:

2. A second way of substantiating the virgin birth is to discover the **INTRINSIC** evidence
(evidence in the story itself)

For further thought:

If evidence supports the virgin birth what does that say about the rest of scripture? What does that mean about scripture and you?

Next week we go deeper into the virgin birth to discover why God designed the story to include a virgin giving birth to the Messiah, Jesus Christ
