II Corinthians 1:8-24

Why do people break promises? Is there ever a good reason to break a promise?

1. Leaders are always \_\_\_\_\_!

II Corinthians 1:12-15

2. Leading well flows out of \_\_\_\_\_! II Corinthians 1:12-13

How to lead your family and/or others well:

- Build trust by being consistent
- Be transparent (Paul wrote plainly so no one would be confused, no dodging of issues)
- Lead with the best of the family and/or organization in mind even if it is unpopular
- Explain your actions for others to “make sense and regain trust”

II Corinthians 1:23-24

3. Always give grace-filled \_\_\_\_\_ when you don't understand.

II Corinthians 1:23-24
